SBCivil Writ Petition No.4872/2006

Lalji Charpota & Anr.
Vs.
State of Rajasthan & Ors.

Date of Order :: 6th September, 2006

HON'BLE MR.JUSTICE GOVIND MATHUR

Mr. B.N.Kalla, for the petitioners.

....

By this petition for writ a challenge is given to the decision of respondent Rajasthan Public Service Commission rejecting candidature of the petitioners to face selection proceedings for the purpose of appointment to the post of Teacher Gr.III by appearing in Primary and Upper Primary Schools Teachers Competitive Examinations 2004. The respondent Commission rejected the candidature of the petitioners on the count that they are not having a valid bachelors degree in education.

It is submitted by counsel for the petitioners that the petitioners are having Bachelors Degree in Education from S.Vakil Ahmed Teachers Training College, Murgiachak, Darbhanga, therefore, the reason for rejecting candidature of the petitioners is non-existent.

Heard and also perused the record.

The petitioners are having bachelors degree in education from L.N.Mithila University, Kameshwar

Nagar, Darbhanga. It is stated that the aforesaid degree is obtained by them as students of S.Vakil Ahmed Teachers Training College, Murgiachak, Darbhanga. It is a position admitted that L.N.Mithila University, Kameshwar Nagar, Darbhanga has already cancelled the mark sheets and degrees obtained by the petitioners in the year 1996-97 as students of S.Vakil Ahmed Teachers Training College, Murgiachak, Darbhanga. In view of the fact that the degrees possessed by the petitioners have already been cancelled, the petitioners cannot be treated as persons having bachelors degree in education as a qualification necessary for appointment as Teacher Gr.III. On cancellation of the degrees above, petitioners are certainly not having required qualification for appointment as Teacher Gr.III, therefore, the respondent commission has not acted illegally or arbitrarily while rejecting petitioners' candidature for appearing in the examination concerned.

In view of whatever stated above, the writ petition is having no merit and the same, therefore, is dismissed.
